

Dear Dr Toru Matsumura

Thank you for your email and the attached registration form for the APLAC Workshop on RMP Accreditation.

Janet is currently on leave and I am responding on her behalf.

I have updated our registration list with your details and you are now officially registered for the workshop.

I note on your registration form that you have ticked other for special dietary requirements but have not specified what the dietary requirements are. Can you please advise me, so we can endeavour to cater for your special dietary needs?

Best regards
