

Dear ILAC and IAF members,

As you are all aware the Tripartite MoU between ILAC, IAF and the International Organisation for Standardization (ISO) has been revised and input on the draft revision was provided by ILAC and IAF members in August 2012. Further discussion then followed between ILAC, IAF and ISO to consider the input received from members of each organisation and additional amendments have subsequently been made.

This latest draft revision is now being submitted for the information of ILAC and IAF members and it is hoped that the revised document will be signed at the conclusion of this second review period. Should you wish to provide any feedback on the revised MoU, please advise the ILAC Secretariat at ilac@nata.com.au by **Tuesday 4 February 2014**.

Kind regards
