

Dear members of UILI,

After several rehearsals the UILI Governing Board and the board of the Dutch laboratory association VRS have decided to reinitialize the postponed invitation to attend the UILI 28th General Assembly and 112,5th anniversary of the Vereniging van Raadgevend scheikundige Laboratoria (VRS)

The event will now be scheduled as follows:

Wednesday April 19, 2023

09:00 – 17:00 UILI LabTour 2023
Nutrilab Giessen, TLR laboratories, QLIP, GEOS Laboratories,
(Visits depending on travel schedule and number of attendees)

Registration at the Mariott Hotel Rotterdam
19:30 – 22:00 informal welcome diner

Thursday April 20, 2023

09:00 – 16:00 UILI Governing Board Meeting 22/02 including lunch at the Marriott Hotel Rotterdam

16:30 – 23:00 VRS 112,5 year anniversary party (see attached invitation) at SS Rotterdam.

Friday April 21, 2023

09:00 – 12:00 UILI 28th General Assembly at the Marriott Hotel

14:00 – 17:00 Second part LabTour and City Tour

As it is of great importance to schedule the event in the best possible way can you please let me know directly with a quick response if you will be able to attend the event and plan to meet Your UILI friends in the Netherlands.

Please reply with the following questions answered in your direct reply:
(if you are not sure please answer already so we have the best indication)
